

Ambienta continues to grow: 6 new senior hires for the Milan office

- Corporate Area strengthened with a new Head of Human Resources, a Head of Administration and a Head of Marketing and Communications.
- Sustainability and Strategy team expanded with the addition of a new ESG manager.
- Finance area grows with two new Associates.
- The team consolidation in several strategic areas confirms Ambienta's growth plans and talent enhancement.

Ambienta SGR, Europe's largest asset manager entirely focused on environmental sustainability, announces the expansion of its team with the addition of six new senior hires in different strategic areas to continue its own growth trajectory.

Over the last 3 years Ambienta's team has more than doubled as the company's business has grown, creating the need to strengthen the HR department with the addition of **Michela D'Isita** as Head of Human Resources. Prior to joining Ambienta, Michela held the role of People Business Partner at AlixPartners and has extensive international experience in HR. Michela is joined by **Virginia Fortunato** as Head of Administration. Virginia boasts 7 years' experience as Finance Manager in Fondo Strategico Italiano and previously worked in insurance and consulting companies such as PriceWaterhouseCoopers (PwC).

Another strategic area, Marketing, sees the arrival of **Fabia Bernacchi** to cover the position of Head of Marketing and Communications. Fabia brings 15 years of experience with her which she has gained in international companies such as McKinsey, Marsh&McLennan, FinecoBank and the law firm BonelliErede.

In line with Ambienta's continued focus on the key issues of its business, the Sustainability and Strategy team is bolstered with the addition of **Daniela Popa**, ESG Manager, who will focus on the company's "**ESG in Action Programme**". Previously, Daniela gained 10 years of management experience with a focus on sustainability at PwC.

Alessio Vian and **Fabrizio Sebastiani** complete these new hires and are both going to cover the role of Finance Associate. Alessio has experience as an analyst which he gained in Assietta Private Equity and then in Intermonte SIM, within the Investment Banking division. Fabrizio has been part of DeA Capital RE, finance and control division, and has a background in consulting at Deloitte.

Nino Tronchetti Provera, Managing Partner and founder of Ambienta, commented: "Since 2007 Ambienta has grown significantly, demonstrating that investing in sustainability-driven businesses generates returns equal to the best asset managers in the world. Strengthening our internal structure is indicative of how this growth is concrete and tangible. The addition **of 6 new professionals, 4 of whom are women**, not only confirms our growth ambitions but also demonstrates the **culture of international diversity** that has always been part of **Ambienta's DNA**. We continue to attract and enhance the best talents in the market".

Milan/London/Paris/Munich, 27 September 2021

About Ambienta

Ambienta is a European environmental sustainability investor across private and public markets. Operating out of Milan, London, Paris, and Munich, Ambienta manages over €1.5 billion in assets with a focus on investing in private and public companies driven by environmental megatrends and whose products or services improve Resource Efficiency or Pollution Control. In private equity Ambienta has completed 43 investments to date and in public equity markets, Ambienta has pioneered the world's first absolute return fund entirely focused on environmental sustainability. www.ambientasgr.com
